Sponsorship Form

We are thrilled and appreciative that you are interested in sponsoring Santa Fe Soccer Alliance this season! Santa Fe Soccer Alliance is an independent volunteer organization that works with the City of Alachua Recreation Department to promote and teach not just the sport of soccer but good sportsmanship and respect. As part of our commitment to our players and our community, all games will be played in Alachua. We rely on sponsorships to provide scholarships for players, offset the costs of team uniforms, referee costs, equipment, training, and more.
